79 — you know you made it Your grea — test mis take —

When the last straw is broken
 When the last door is closing
 I ain't that dumb to stick around, stick around
 I ain't got the time for looking back
 Gonna let yourself slip through the cracks
 And you just keep going down, down, down

I'mma stay undercover
 Lay low for some time
 No one to save, to save
 These six I closed overplayed

Think you made your greatest mistake
 I'm not gonna call this a break
 Think you really blew it this time
 Think you could walk on such a bad lie
 Won't be taking the midnight calls
 Ignoring the rocks you throw at my wall
 I see it written in your face
 You know you made it
 Your greatest mistake
